Ware High School At Night . . . A Factory Endlessly Turning
Out A Very Special Product — The Class Of 1977

Have you ever been so interested in something that you chose to devote yourself to its cause and do all you could for it? Believe it or not, there's a member of our own faculty who feels this way about Ware High and its students. Remember? That huge, rosy-cheeked, ever-jolly cherub who, when not dressed as Santa, is wearing maroon and gold. He cares. He really cares. His first year here, when the Jr. High

Sue, Hope you enjoyed your years at W.H.S. and I'm sure you've learned as much about

needed a basketball coach, he volunteered to do the job. He took over as Yearbook advisor in 1974 when they were left without one. This man may be seen popping his head in the door to say "hi" to a class as he walks

as economics or history. Hope at least I've helped to give you food for thought. Thanks for this dedication. I appreciate it more than you'll ever know. Best Always Mr. B

through the hall. Presently, he is the advisor of Student Council. Don't forget the annual Winter Carnival, all elections, and most school dances are under his advisement. Nowhere else could one find one person who would do all this for the Ware High students. He calls what he has "volunteer-itis", but we're convinced that the best word for this is dedication. Therefore, it seems appropriate to dedicate this 1977 yearbook to Peter J. Baltren, with gratitude and love!

To Sue,
the greatest there is as a friend & person of upperclass & an excellent friend & hope all goes well with your life

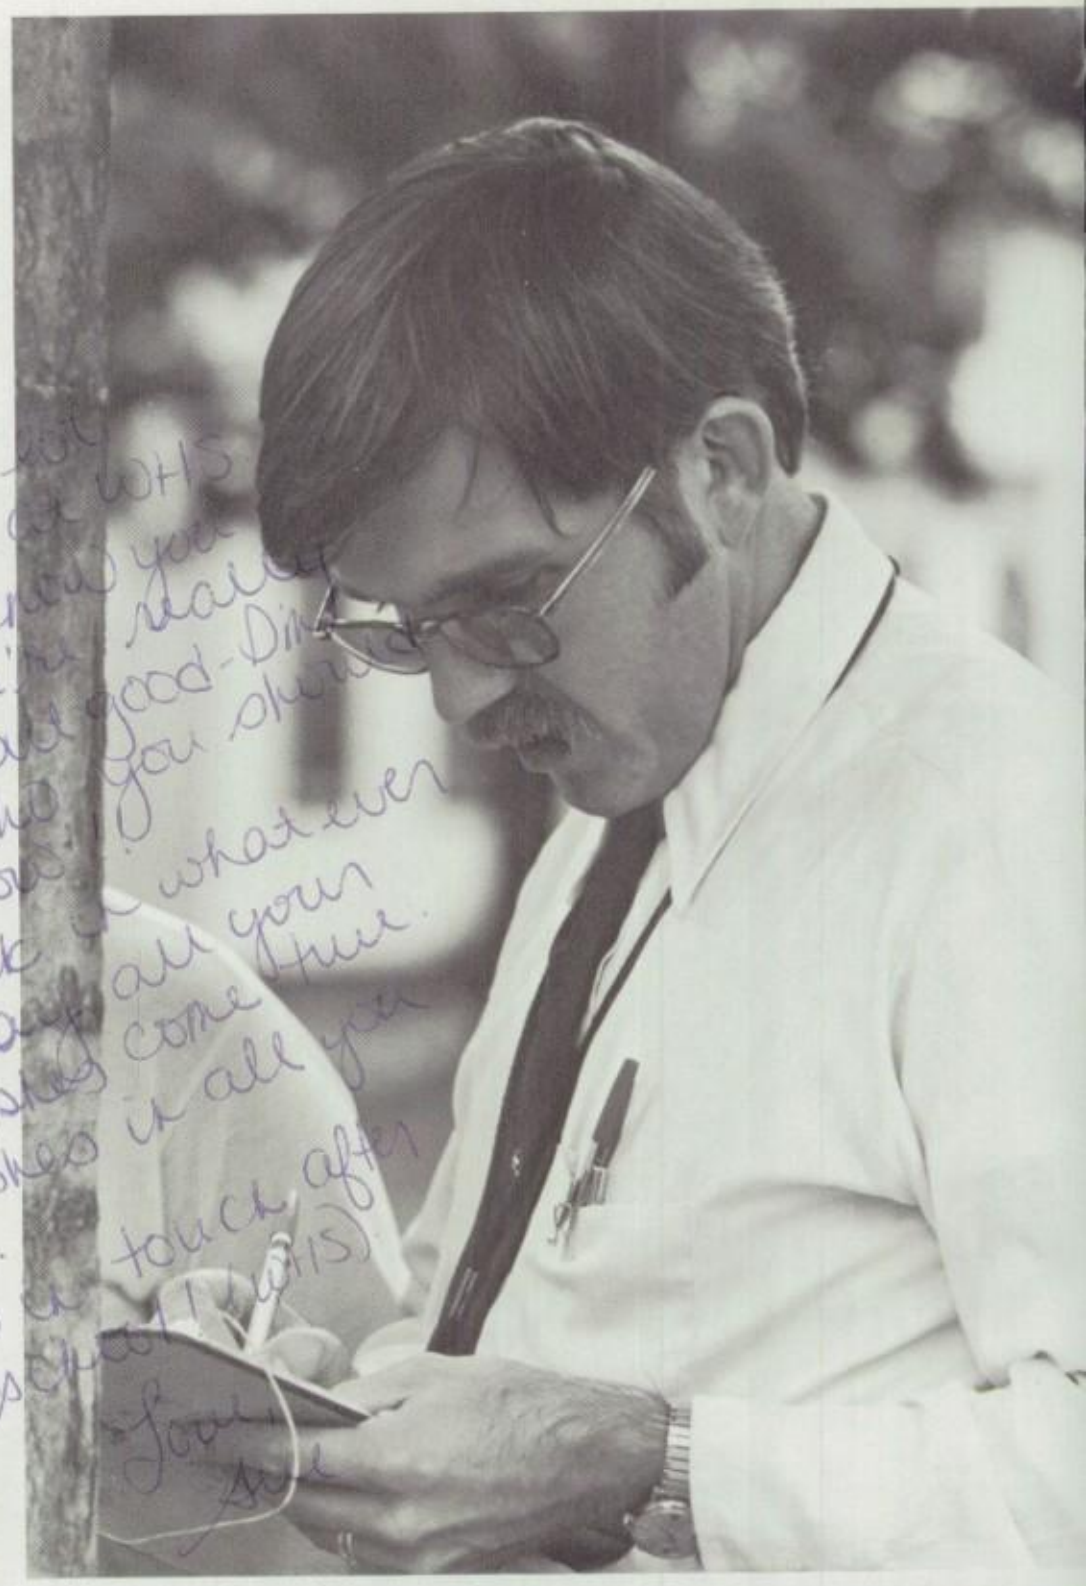
Thanks

We feel we owe a great deal to Mr. Michael Lincoln for all the help and encouragement he has given us the past 4 years. He is a fantastic Class Advisor who deserves our appreciation and thanks.

The Class of '77 must also give a lot of credit to our Class Officers during Freshman, Sophomore, and Junior Year. Our thanks to: Neil Gage (President), Brenda Ratcliffe (Vice President), Sue Deslauriers (Secretary), Donna Lavallee (Treasurer), and Gina Palmero (Historian).

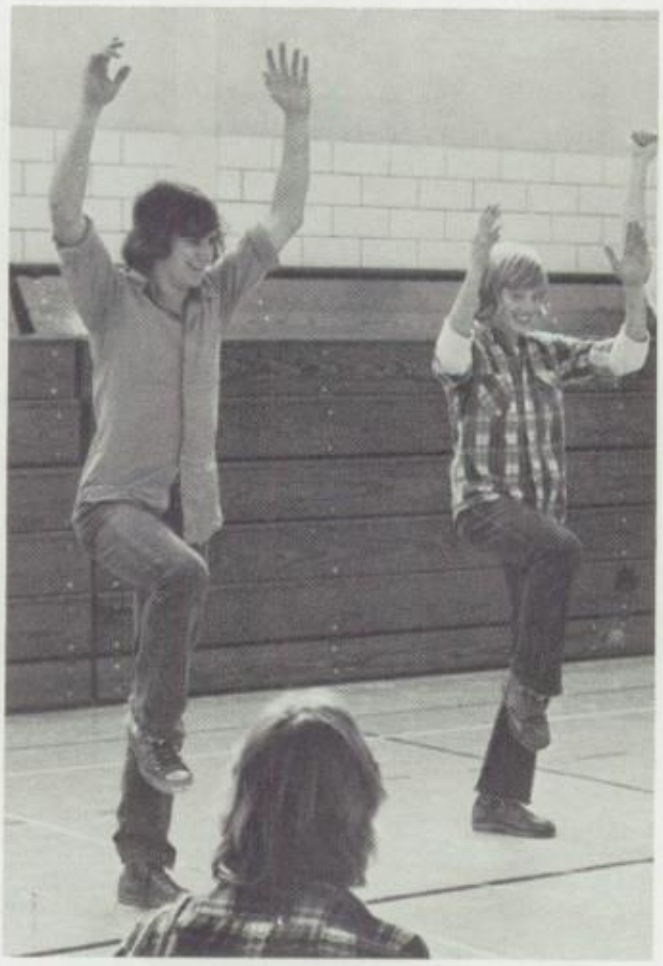


Memories

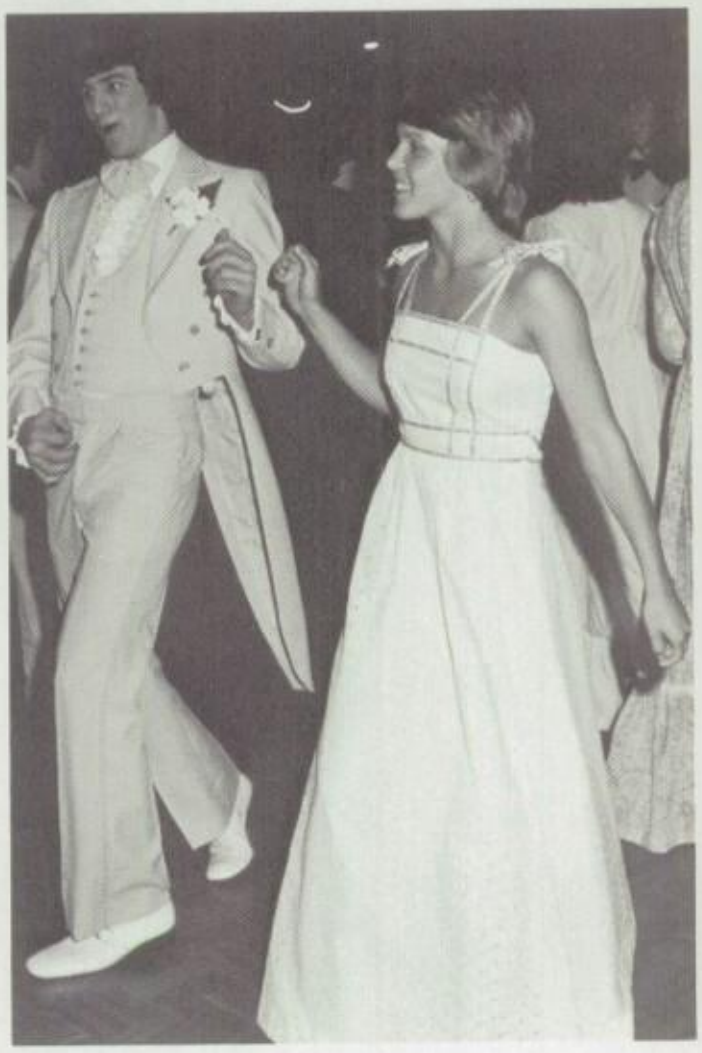
Y'know those stories about stuffing as many people as possible into a telephone booth? Well, the guys in the Class of '77 believe nothing until they see it or do it . . . themselves!

Speaking of doing strange things, did you know that our class even rewrote the Ballad of the Boston Tea Party, and set it to music? With great effort and unity we recreated the whole episode. We had Indians throwing Teabags (yes, singing teabags) over the S.S. Teacup into the sea, chanting all the while. Visits from "Little Teacup" and a British redcoat added to the plot of the 1st place skit. It ended with the entire Ware High population standing in the gym singing "America the Beautiful." How's that for a production for the '76 Winter Carnival Theme: Bicentennial?

We were only Juniors, but we still felt the excitement of graduation last year. An example of this is last years' Senior Parade. A majority of the underclassmen (led by '77!) assembled PEACEABLY on the school lawn until the seniors passed by in their cars. No demerits for class tardiness then, thank goodness!



JUNIOR PROM '76



Junior Prom

May 22, 1976 ... What do you remember? When he showed up 20 minutes late and you were afraid he'd forgotten you? When you stabbed him with the pin from the corsage? When she spilled punch on your rented tux? When you tripped going up the stairs for pictures? Going to the ladies' room every 15 minutes the make sure you looked alright? Going out to the car with the guys so often for heaven-knows-what reason? Whatever incidents, large or small, that occurred that night, one thing is certain-for those of us who went to the Junior Prom at the Highpoint Inn in Chicopee (and later to Heather Nicholas' for the party), May 22, 1976 was a night to remember!

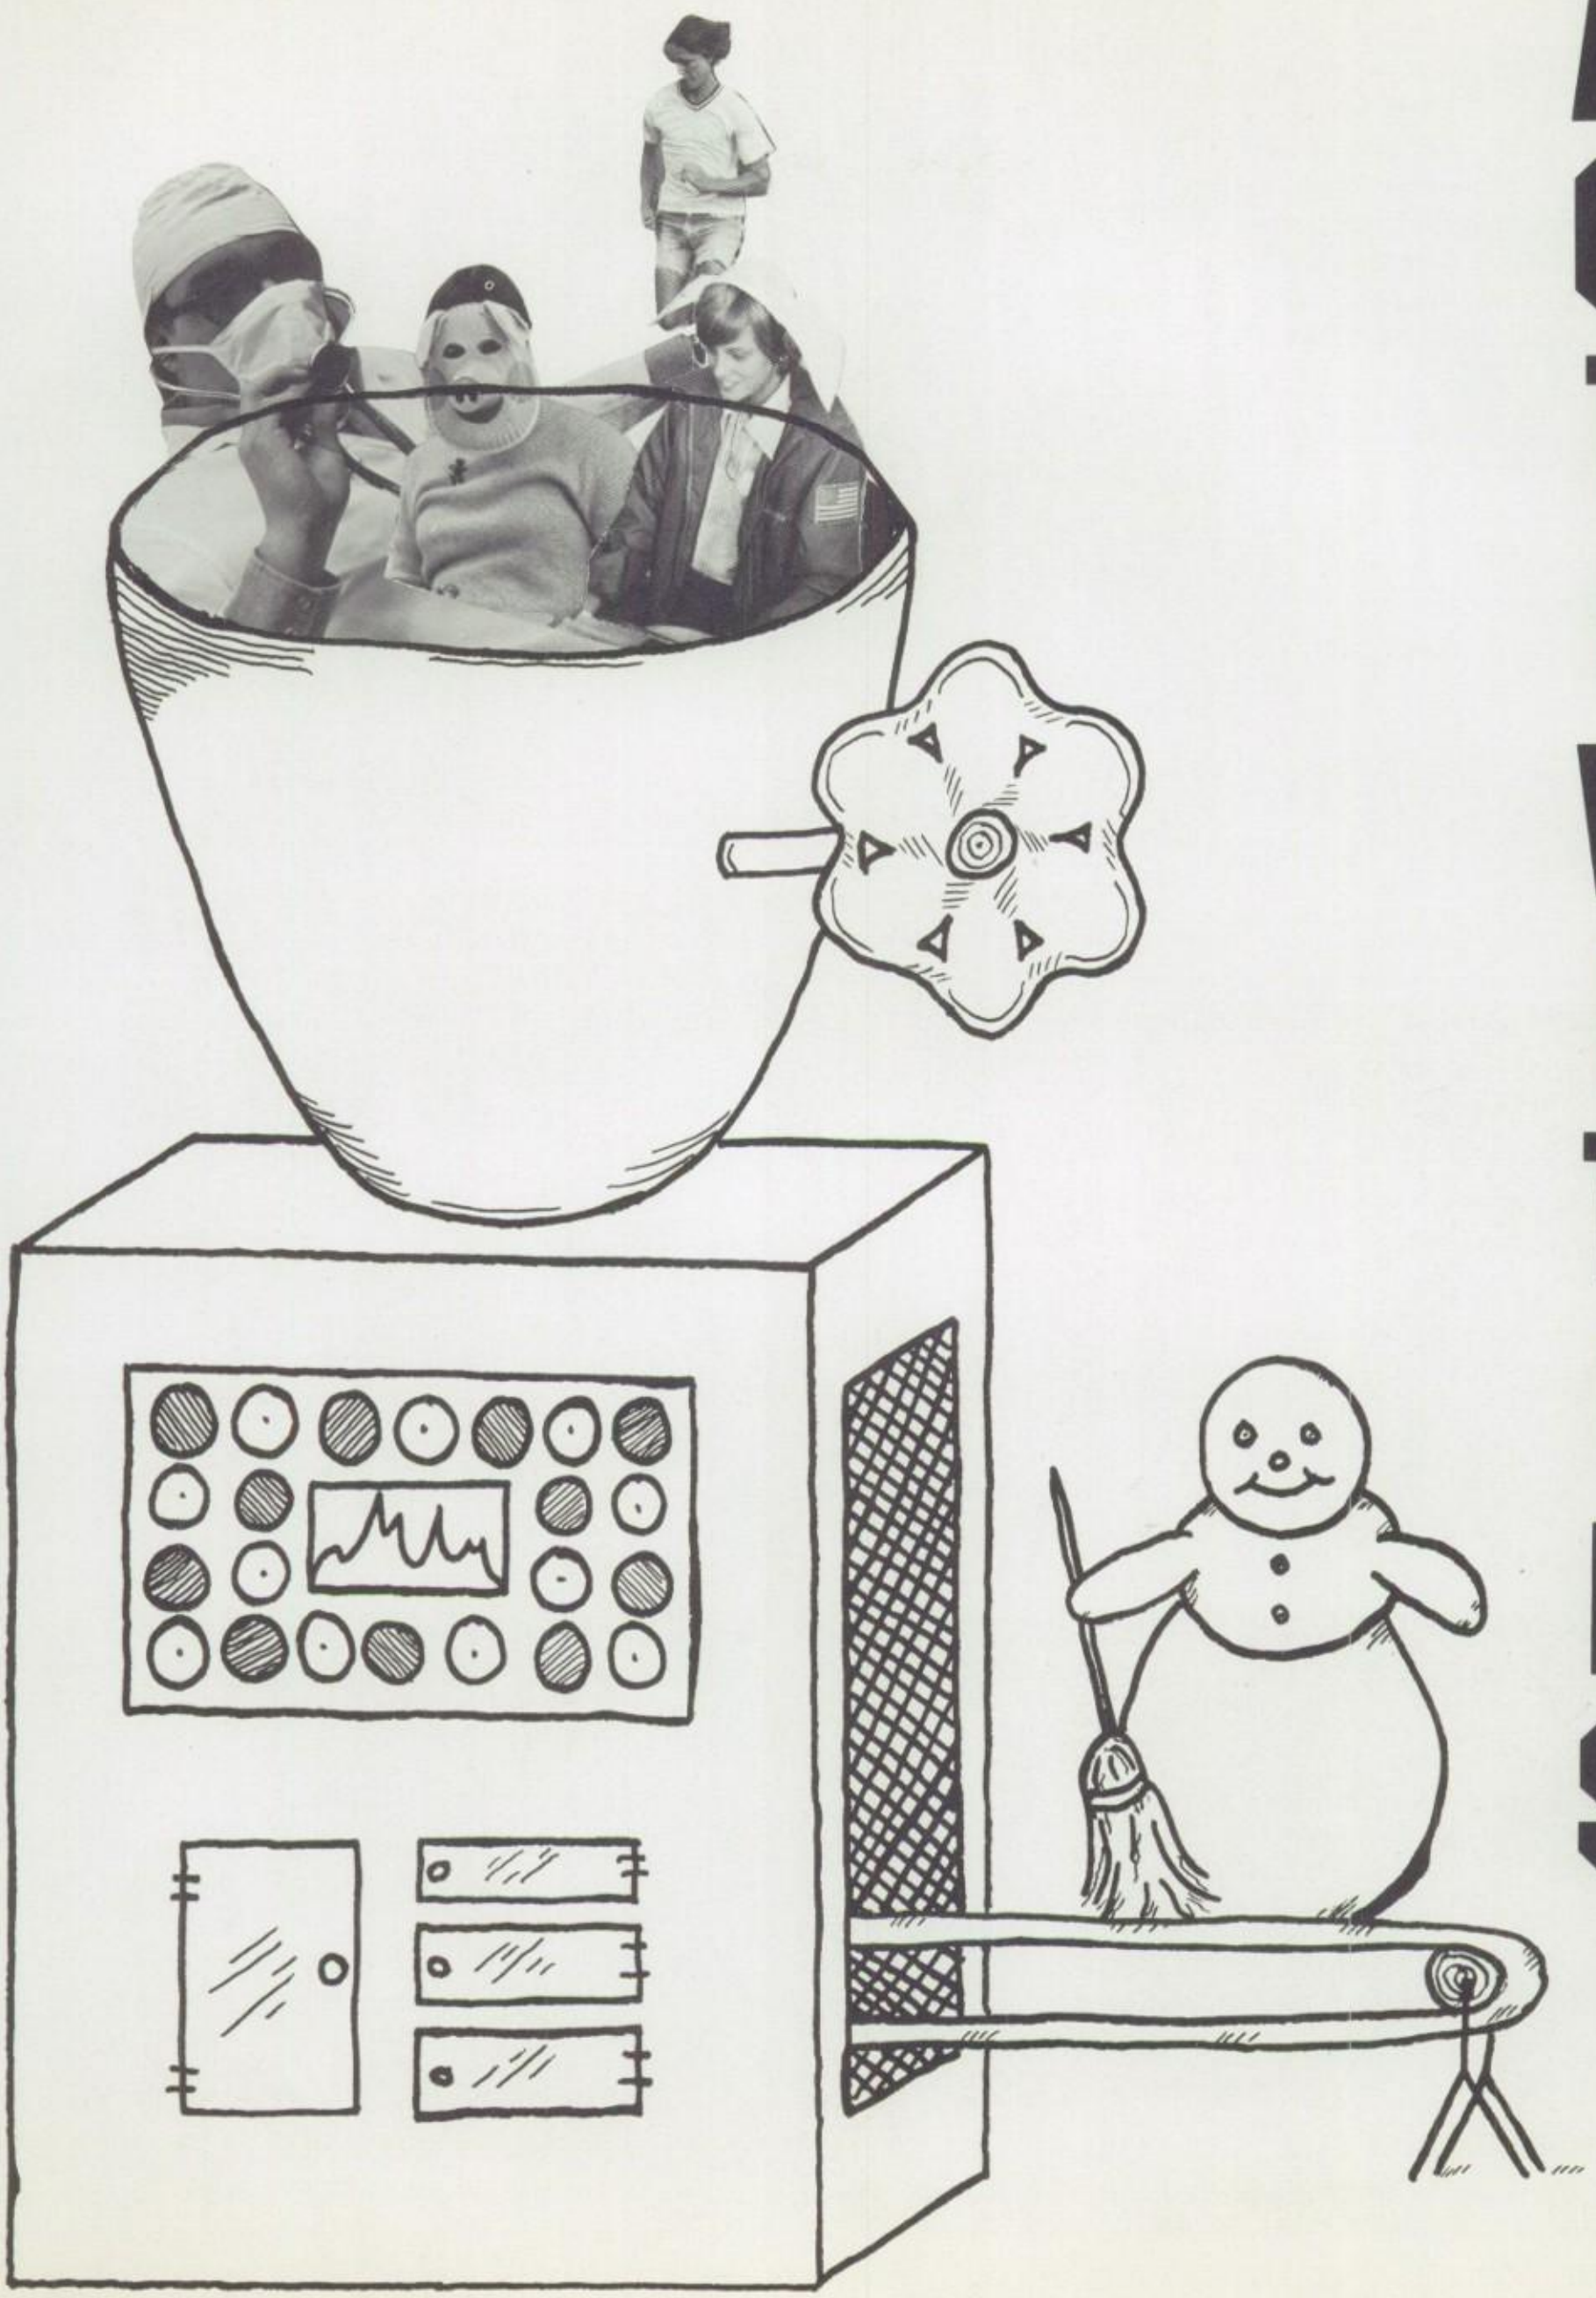
ACTIVITIES



A DAY OF CHANGES

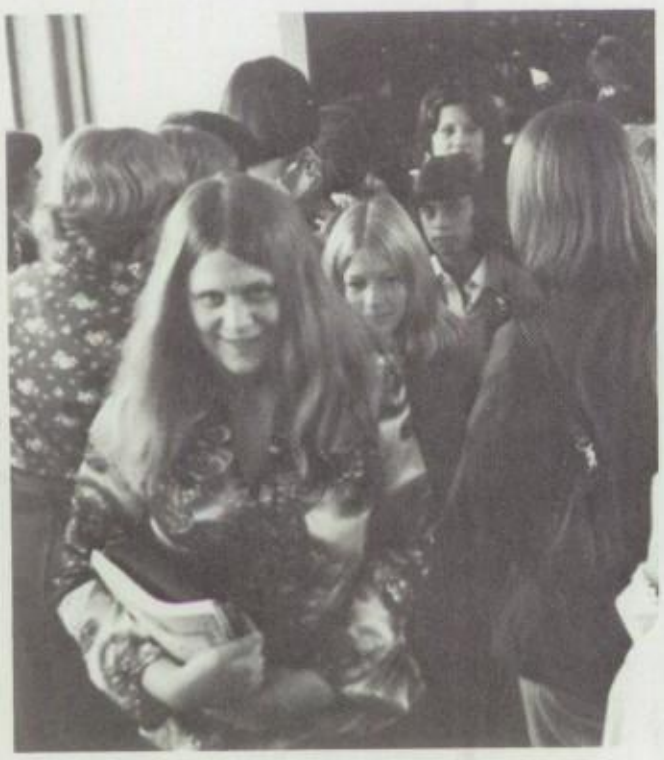
The first day of school this year was a change for everyone, not just the freshmen. The infamous Demerit System started, and by now has shown its strengths and weaknesses.

The freshmen were handed out bunny tails and ears to wear so that they could be recognized more easily by seniors who needed a lunch, or a table cleared.

Come and get your ears!

A willing freshman, Mike Lamacchia.

You Seniors wouldn't want me would you?



Freshmen fearfully make their way up the ramp amongst Seniors.

Meanwhile, the rest of the school is trying to get schedules fixed.

ALMOST ANYTHING GOES

At a Freshman Reception, that is. The Class of '80 welcomed into the school with a three-legged-orange-under-the-chin race, peanut-in-the-spoon-in-the-mouth-with two-balloons-between-your-legs race, and a whipped-cream-donut-eating contest. It was fun for everyone, including the dance after, with music by Spike.

Look at that form, and the technique.

Hey, you're not supposed to use your hands.

Masters of Ceremonies Mark Moriarty and Michael Balcom.

Have you ever wondered who thinks up the crazy things to do at Freshmen Receptions? Here are some of the people who met at Mary Ann Quink's house during the summer to make plans for this year's gala event.

There's more cream on little Topor than on the donut!

The scoreboard tells all.

'78 LOOKS GREAT

Once again, the junior class was victorious in the "Quest for Gold". They came out on top with 74 points in the annual mini-olympics. Last year the Class of '77 as juniors came out on top. Could this be a sign that 11th graders will dominate the olympics? We'll find out next year.

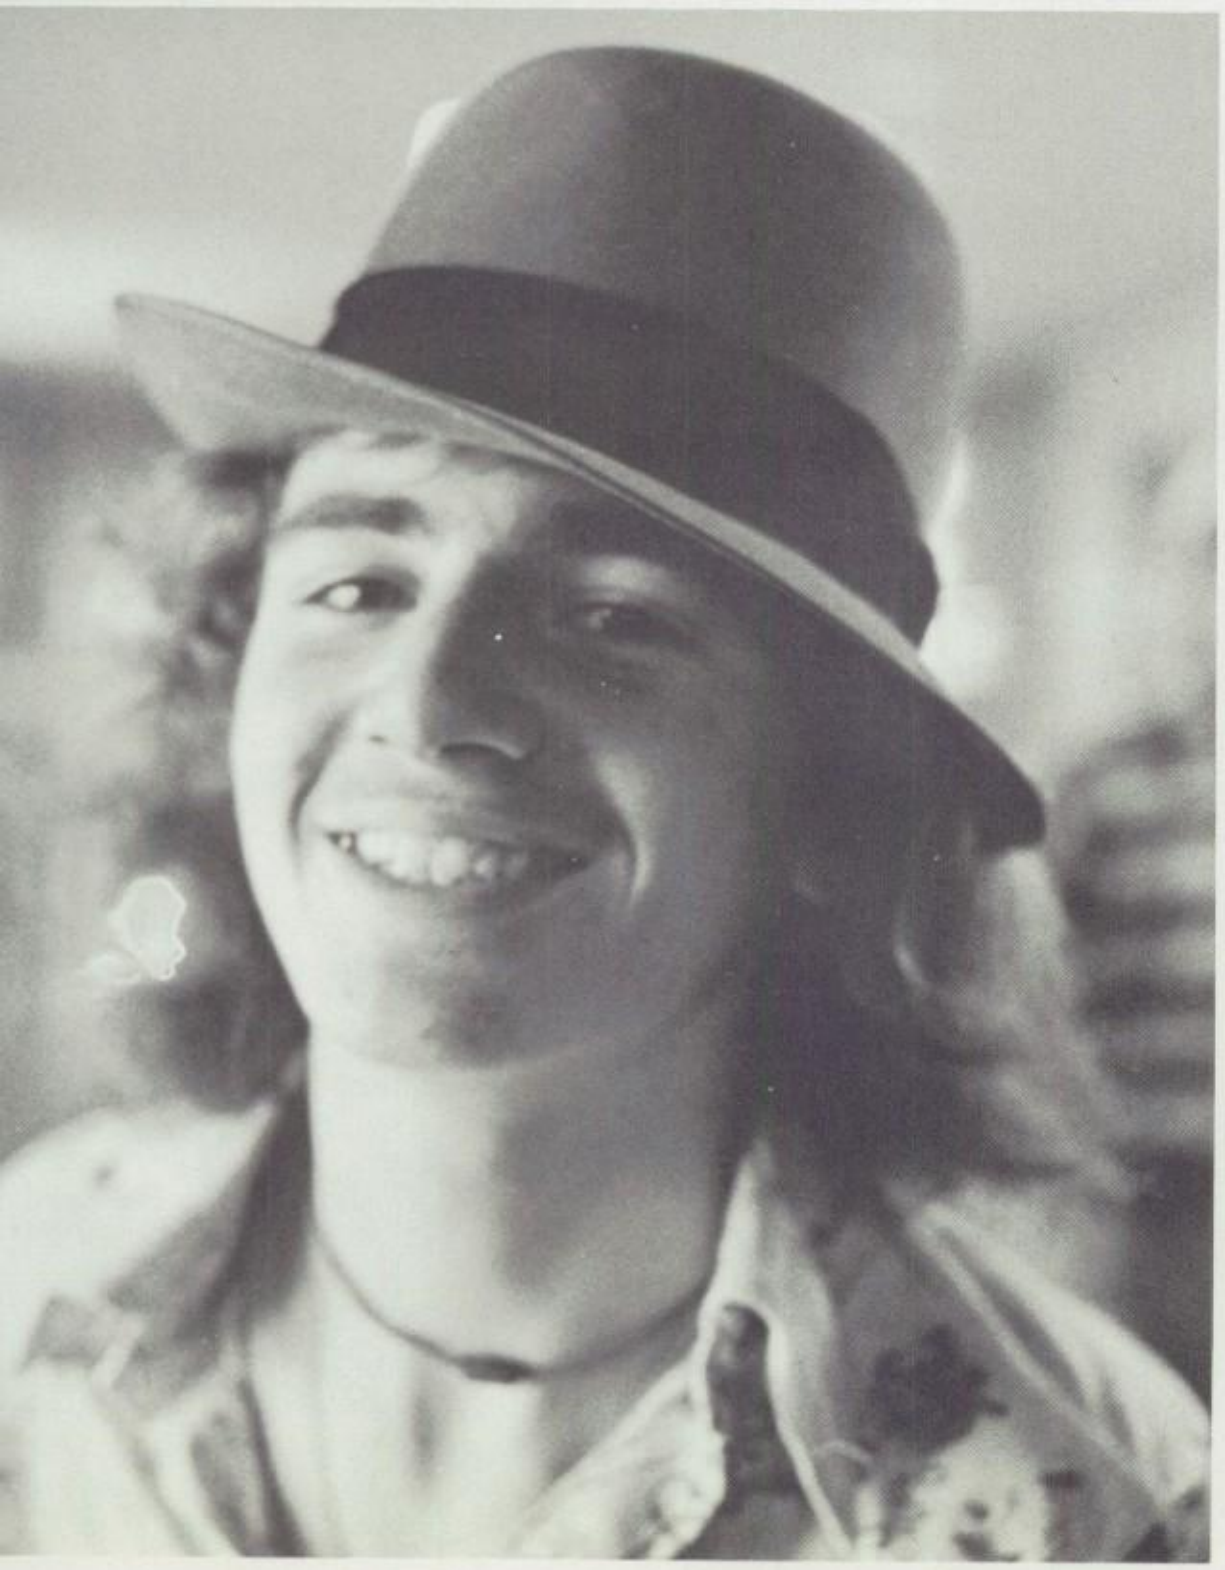
A NEW LOOK

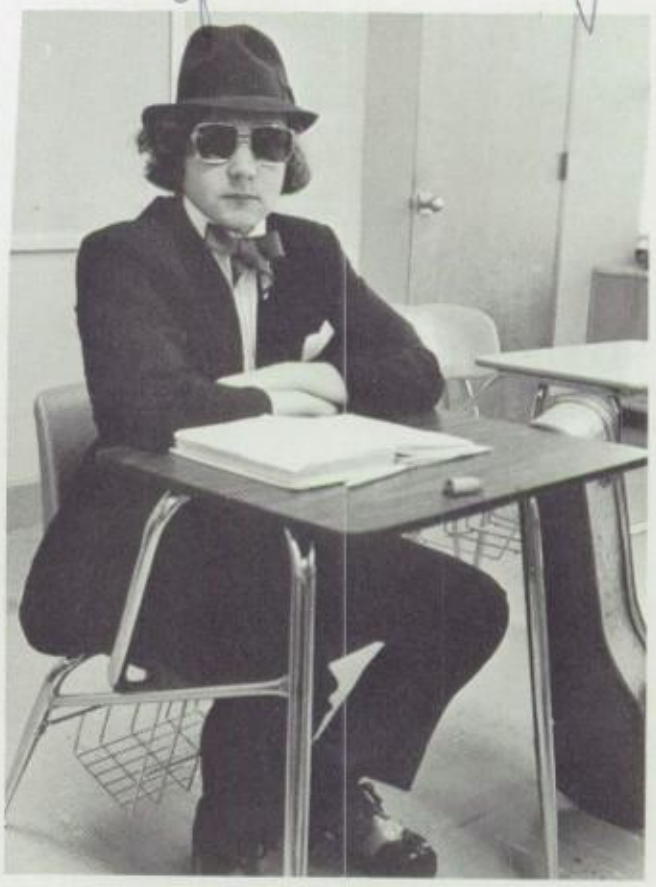
In anticipation of the Football Homecoming, WHS students showed their spirit five ways during Spirit Week. There was Hat & Socks Day, T-Shirt & Jeans Day, Inside-Out & Backwards Day, Dress-Up Day, and, of course, Green & White Day. If you happened to be in school on those days you would have seen some crazy costumes, and wondered if you were coming or going.

Finally caught you in a skirt JK.

Hi sweetheart.



Sue,
Good luck in the future,
W.H.S. was a good
experience, Hope it was
for you! Good luck,
Craig



The Godfather (Craig Mattson) visits WHS.

Do Senior girls really look like this?

. . . blowing bubbles."

. . . waiting forever
for a touchdown."

. . . cheering for a winning team."

. . . crying over spilt milk."

Activities of many students aren't limited to those in the classroom. Rather, they vary in the type of activity and the place they are performed.

"MY FAVORITE ACTIVITY IS . . .

. . . being with friends."

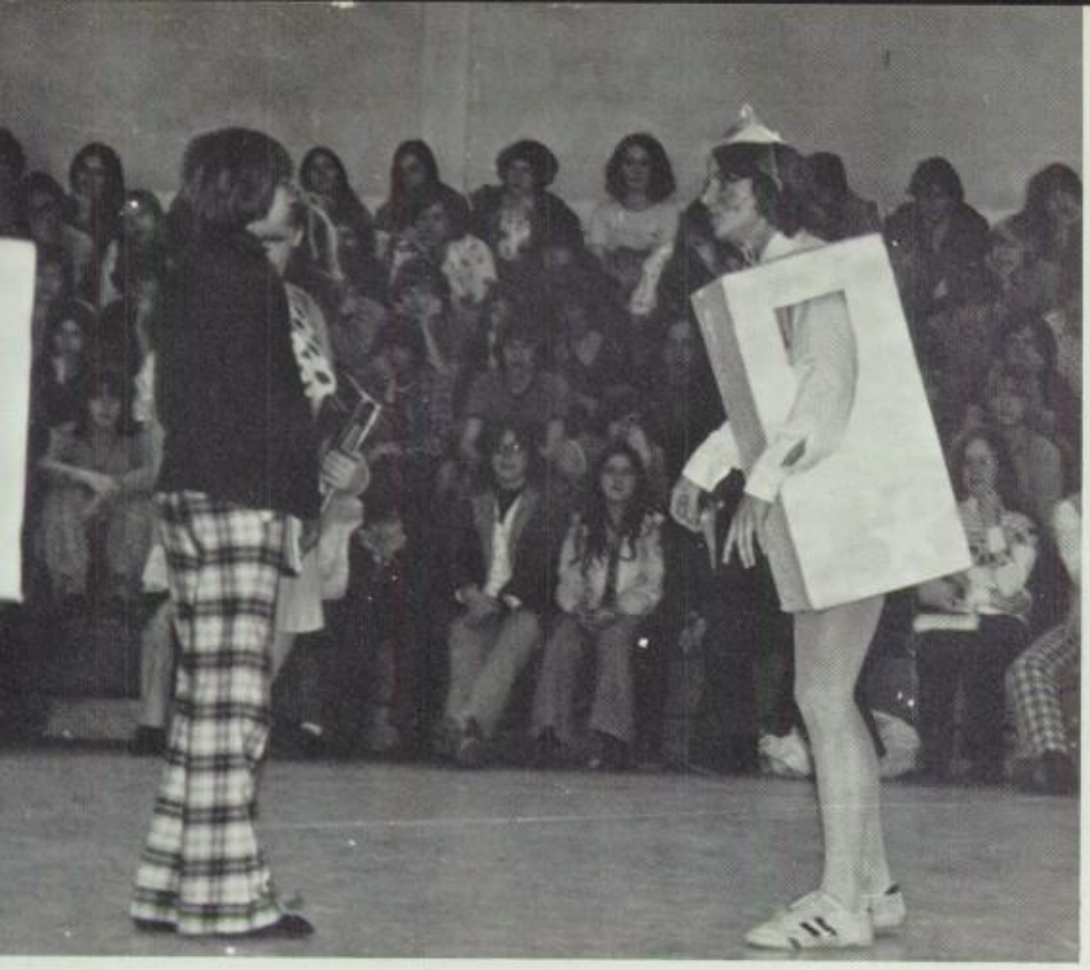
. . . having fun on the bleachers."

. . . eating lunch the hard way."

. . . leaning against a brick wall."

. . . making a fool out of myself."

. . making money."

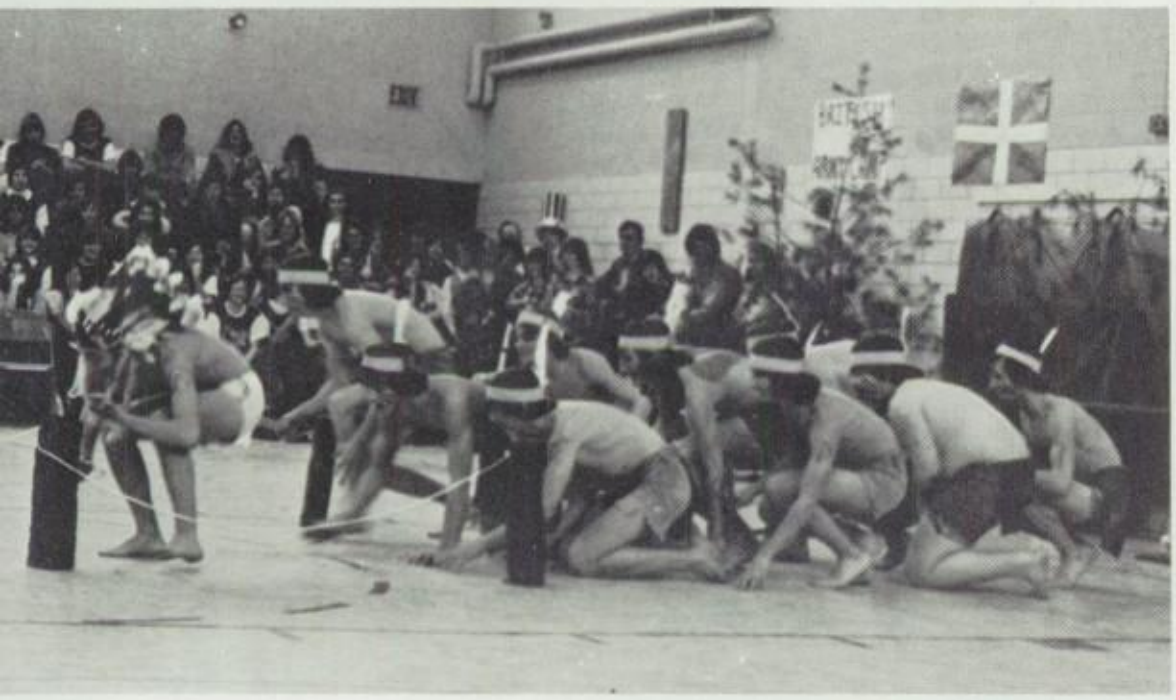


'Man and Space' showed us new horizons in the skits, here starring Steve Lawrence and Jim Sweeney.

BATTLE BETWEEN THE CLASSES

We've been having Winter Carnivals for several years now, but every one is different than the one before. For some there is snow, others only mud. Yet there are some things that don't change. Things like spirit and the "thrill of victory and the agony of defeat". We'll all remember the work we did and what we got out of it.

Here are the scenes of past Carnivals, memories which have been stored in the back of minds, emerging at the arrival of new and better ones.



Bicentenial fever got hold of everyone, and was the Carnival theme in '76.

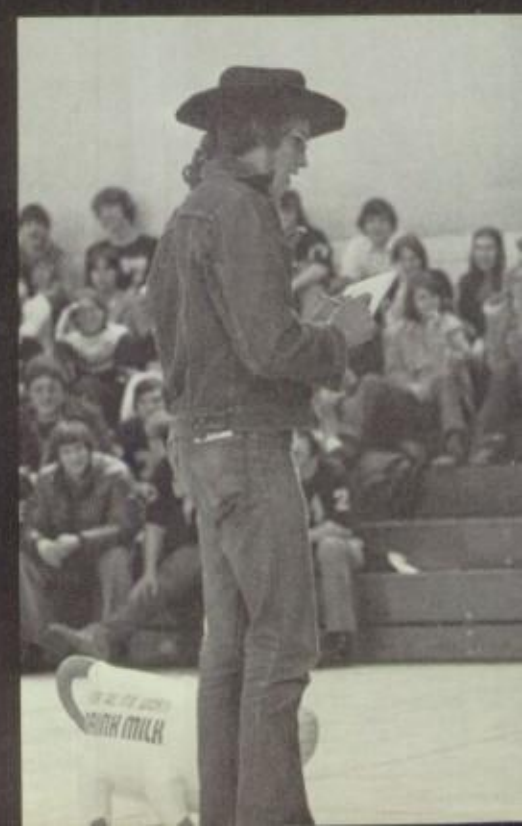
The die-hard snow sculptors.

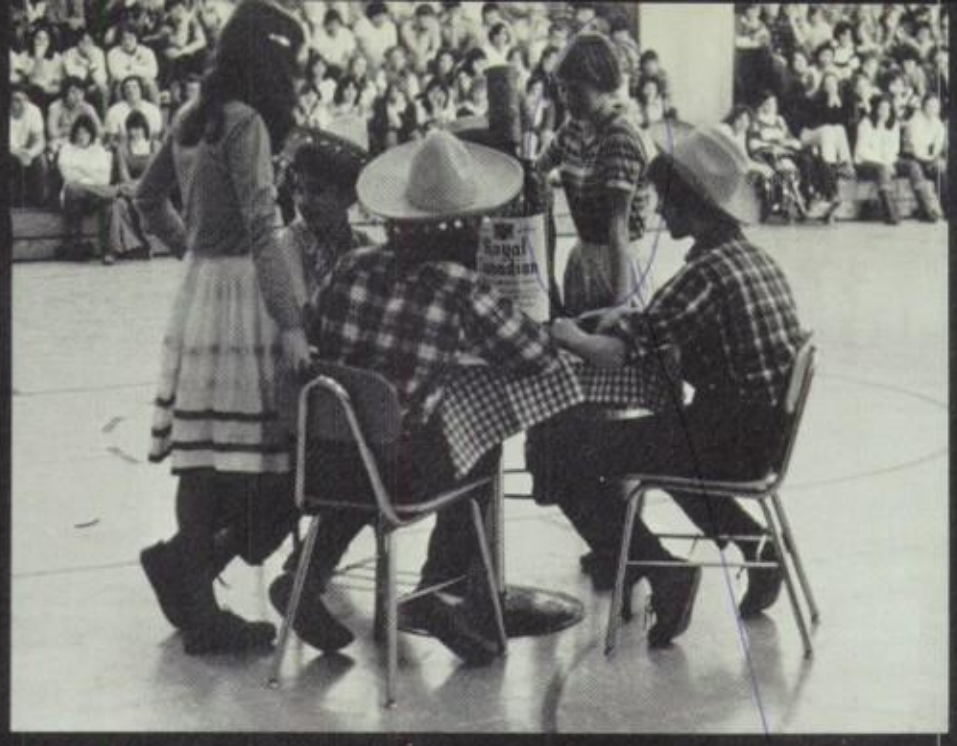
THE BATTLE BEGINS

Neil Gage welcomes WHS students and faculty to the 1977 Winter Carnival. Mrs. Betty Lincoln presents prizes to winners of the poster contest. Taking first place and 1 point for the Sophomore class was John Bowler. Other winners were Mark Orszulak, Lisa Quirk, and Chris King.

Once again the Indians defeated General Custer (Mark Moriarty) and his loyal army at Little Big Horn in the Senior skit.

M & M's Man (Ed Sojka) tells the boys to cool it but Quick Carl (Sean Rohan) and the Sheriff (Jackie Vaughn) insist on dueling and "draw".





It was a "Barroom Blitz" for the Freshmen. Pie-throwing and an action-packed brawl showed the rest of the school that the Class of '80 was going to stand up and fight for points.

Sue,
Well your high school years are all over. But you glad. Although I really don't know you that well I know you're the same & have a nice, good Luck in the future and whatever you do.
Love,
Carin
'80

The Winter Carnival was officially open and class skits began. The Seniors took first place, the Juniors second, and the Sophomores third.

Snow piling for the snow sculpture began after school and lasted until midnight for the hardy souls who made it through the cold.

At 8:30 Saturday morning snow sculpting started. Although workers were scarce at first, many more showed up as time was running out.

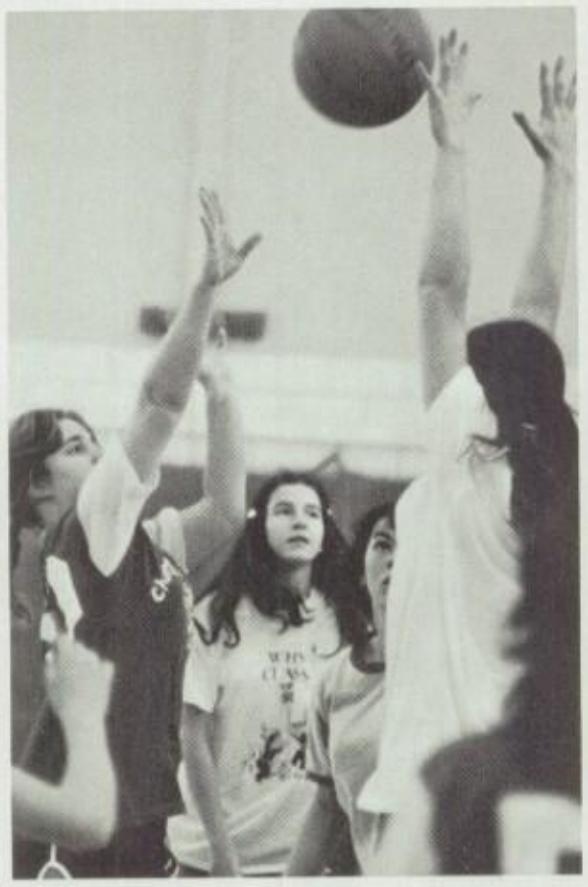
The Seniors and Juniors tied for first place with replicas of a stagecoach and an Indian. A hat and gun by the Class of '79 got them one point.

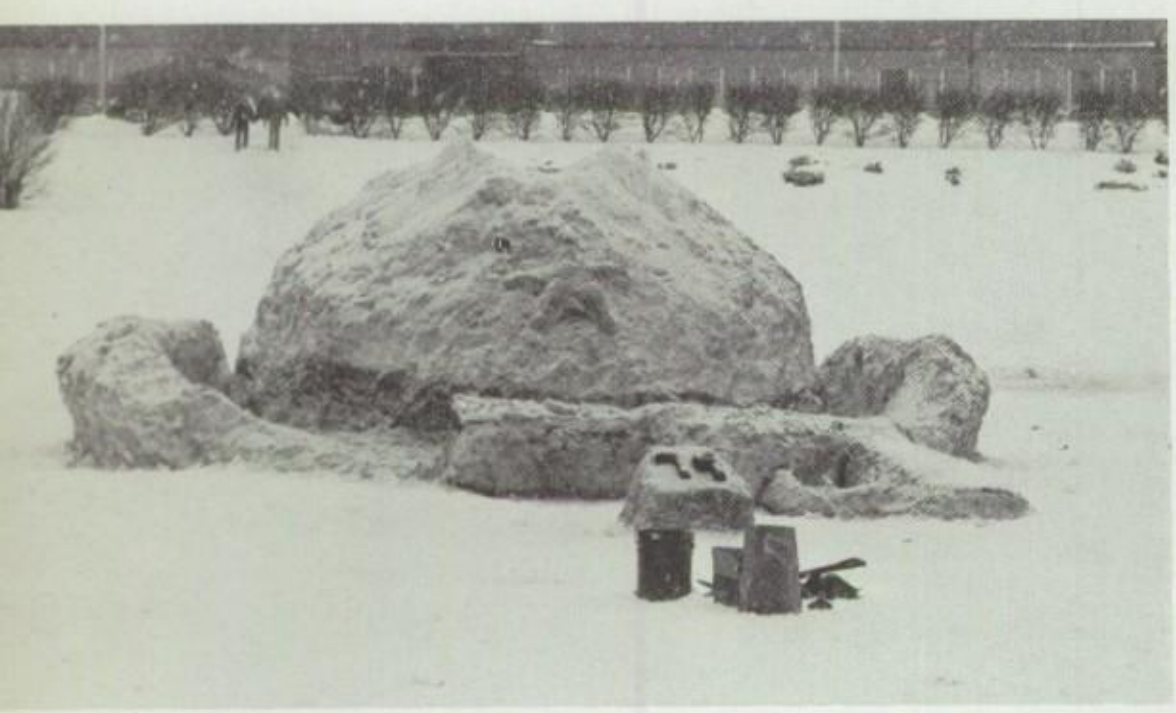
To fight the cold and fill empty stomachs, French Club members sold hot chocolate and candy bars throughout the morning.

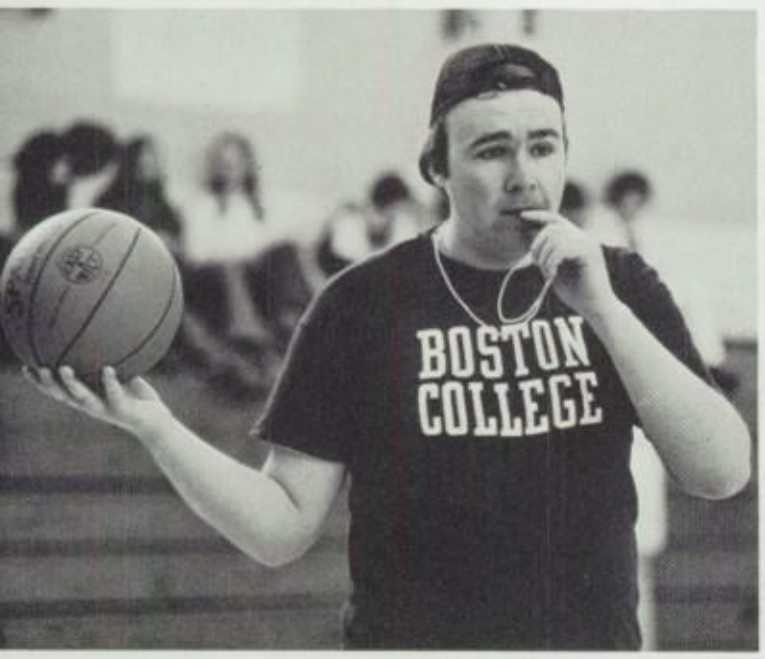
Big Red (Lisa Ratcliffe), Little Red (Lisa Quirk) and Cutnose Callahan (Chris King) showed their talents in the Sophomore skit.

THE BATTLE CONTINUES

Throughout the morning sports events were taking place. Boys' and Girls' Basketball and Volleyball started about 9:00. In a new co-ed event, Darts, the Freshmen put on a good show and placed first. Another new event, the Cross-Country Relay was different, but the Seniors won it Snowshoeing away. Spanish Club made tacos for lunch, while Student Council served hot dogs and pizza.







Rope Pull came up at 2:30. In this tiring event the Class of 1977 out-muscled everyone. The Parade of Floats followed and creativity by the Sophomores led them to first place and five points.

Next it was inside for the Championship Basketball Game. In an extremely tense game the Seniors defeated the Juniors in overtime. Following the game, a few dedicated people stayed to put up decorations in preparation of the Winter Carnival Dance.

As of yet, no one knew which class had won. The only way to find out would be to attend the dance.

When evening came Steve Lawrence, president of the Senior class and King of the Winter Carnival, was in the Winners Circle.

Chairwomen of the Winter Carnival, Patty Kargol and Ellen Gorden, deserve only high praise for their work. Without the dedication of these two young women and adviser Mr. Baltren, there would be no carnival.

A TRUCE IS CALLED

The band Spike provided music for dancing, or just listening if you were too tired, at the Winter Carnival Dance. Winners of events and overall winners were announced by Ellen Gorden, along with the King, Queen and Court.

All in all, everyone did their best and when the Senior Class of 1977 came out on top, it was through the hard work of those involved.

Of course there was some quibbling about points, but had there not been, it wouldn't have been a Winter Carnival.

Underclassmen were already thinking of ways they could have done better and looking forward to Winter Carnivals in the future, while Seniors sat back and cherished their victory.

CONTEMPORARY

We cheer for our teams at football, basketball and baseball games.

We go to sports banquets.

What do students at Ware High do besides go to dances and Winter Carnivals?

We play soccer in gym class.

We get class rings after many hours of deliberation and weeks of waiting.

There are things we
do
And things we wear,
Some alike
But others different.
In a few years
When we look back
And see ourselves,
Once again we'll be
different,
Yet still the same.

Some of us find the time and energy to study.

Christmas lets us show our talent in decorating.

Sometimes we wonder what's out there.

We wait in endless lines to taste hamburger served endless ways.

Boys' State Representatives were Preston Quirk and Mark Moriarty. The two spent a week at Holy Cross learning about our government. Bob Hevey was chosen as alternate.

Girl's State Representative was Augusta Plassmann. Carol Jedetski was chosen as alternate.

Ellen Gorden was chosen as the representative of the **Daughters of the American Revolution Good Citizen.**

Elected to go to the State House this year as WHS's **Good Government Day** representative was Alan Mosher.

Also shown are the **Pro Merito** students.

"It was a rebuilding year for the Indians, who finished a commendable second place in Quaboag League play. Led by Seniors Kathy Robidoux at guard and Sue Deslauriers at forward, the team developed into an aggressive, well-rounded squad. Looking ahead to next year, W.H.S. should once again be in contention for the league title with the help of Juniors Kim Saletnik, Karen Therrien, Celeste Masse, and Sophomore Jane Pajak."

"The 1976-77 basketball season was disappointing in terms of the number of wins and loses. However, the Indians lost seven games, either in overtime, or by three or less points. With a little luck we may have turned our record around and had a winning season. The team was led by Jeff Bothwell, the leading scorer and rebounder. Jeff averaged 18 points a game. David Hayden, David Kuzmick, and David Gage were the team playmakers and top assist men. Bill Getchell was the most improved player this year. Billy had many outstanding shooting nights. Don Devine, a Freshman, had an outstanding season rebounding, and on offense had a great second half of the season. Greg Renaud had a good year on the boards, and Jim Robidoux and Tim Durepo proved very valuable coming off the bench to spark the team. Greg Ciejka, Joe Vadnais, and Bruce Worden were very much an important part of the team, and gained valuable experience this season. We return eight players next season and are looking for a winning season."

Love Kristen Your about 4th year Friend Think nice kid but

"After a slow start we won 3 out of the last 4 games, ending up with a 4-5 overall record. Jeff Bothwell (punter), Paul Daley (O. back), and Joe Vadnais (d. back) made the All Inter-county League 1st Team. Mark Davies was an All Central New England Honorable Mention. Joe Vadnais was our leading scorer and receiver and Paul Daley our leading rusher. Jeff Bothwell and Mark Davies were our main stays in offense while Mike Topor, Joe Vadnais, and Gary Desjardins were on defense. The team sadly missed Captain Glen Allard, who missed 6 of 9 games due to an injury; however he was awarded the Marine Corps Trophy for being the Most Valuable Player. I have high expectations for next year because experienced ball players are coming back."
COACH JIM TALARICO

"Our main problem this year was lack of participation. I would like more girls to participate because we weren't that strong in the annual league meet. However the two girls we did have placed in the middle of the race. I will expect a strong year next year from Paul Szcygiel who was hampered by a leg injury, and John Pollack who turned out to be our best runner because he kept working at it."

"The 1976 baseball season was one of disappointment, having won three consecutive league championships. The team came in second to North Brookfield with a 10-10 record. The team had quality players as reflected in the All Star balloting with fine members being chosen to the All League Team, three unanimously: Chris Wilson, John Bernier, Bruce Anacleto also winning a first string berth on the All Western Mass. Team. With a number of experienced ball players returning for the '77 season, hopes are running high for a new string of championships."

GIRLS VOLLEYBALL TOURNAMENT

Once again, as in two out of the past three years, the Ware High School girls' volleyball team took first place in the Quaboag League Tournament. Much congratulations must be given to Coach Jean Chrabaszcz as well as the entire team for a job well done.

"A most encouraging season . . . we posted a 7 and 8 tally. Superb pitching by Sue Bish and courageous defensive plays by Erin Roach, Kim Saletnik, and Kathy Robidoux . . . I am looking forward to an improved second year - with great anticipation of a winning year!" COACH JEAN CHRABASZCZ

"It's difficult to comment on a 0-14 season. Certainly team members should be given credit for their perseverance in a dismal season. Special recognition should be given to (capt.) Gill Higney for his outstanding individual play throughout the year. Gill qualified for the Western Mass. Individual Tournament for the third consecutive year. We hope that next season will bring some success as the two freshmen, Chris King and Fran Sherman, along with the sophomores John Metcalf and Sean Rohan, are returning letterman." FACADEMY &CS

"Mr. Clark, what's this about a chicken in red flannel p.j.'s?" "Mr. Hirsch, does Santa Claus live at the true or magnetic north pole? "What sort of questions are these? They illustrate student curiosity. Our teachers must answer many such questions each day. How do they respond? As one faculty member once said, "We make up the answers!"
